

ACKNOWLEDGEMENTS

Changes in the editorship of *Acta Neurobiologiae Experimentalis*

We acknowledge with regret the resignation of Wojciech Rzeski from the post of Editor of *Acta Neurobiologiae Experimentalis*. We would also like to express our thanks to the Editors leaving the Board of Referees, Konstantin Anokhin, Pavel Balaban and Piotr Jaśkowski. They helped us many times in evaluation of submitted manuscripts.

At the same time we are glad to welcome our new Associate Editors, Katarzyna Łukasiuk and Paweł Boguszewski, and new Members of the ANE Board of Referees, Holger Braun, Richard Frackowiak, Piotr Rieske, Lisa Schrott and Urszula Ślawińska. We look forward to your input in editing *Acta Neurobiologiae Experimentalis*.
