

ACKNOWLEDGEMENTS

Changes in the editorship of Acta Neurobiologiae Experimentalis

We acknowledge with regret resignation of Naum Yakimoff from the position of the Member of Board of Acta Neurobiologiae Experimentalis. Professor Yakimoff helped us many times in evaluation of submitted manuscripts. We would also like to express our thanks to Paul Verschure, who is also stepping down from the ANE Board, for his invaluable service.

At the same time we are glad to welcome our new Associate Editor, Ruzanna Djavadian and new members of Board of Referees: Gaute T. Einevoll, Jacek Jaworski, Istvan A. Krizbai, Ewa Kublik, Ricardo L. Nunes de Souza, Jesus Pujol, Asla Pitkänen, and Piotr Walczak. We are happy that you agreed to join our Board and look forward to your input in editing and improving Acta Neurobiologiae Experimentalis.
