Changes in the editorship of Acta Neurobiologiae Experimentalis

We acknowledge with regret resignation of professor Tomasz Werka from the position of the Editor in the Board of Acta Neurobiologiae Experimentalis. At the same time we are glad to welcome our new Associate Editor, professor Jacek Jaworski from the International Institute of Molecular and Cell Biology, Warsaw, Poland.

Acknowledgement of Reviewers

We are very grateful to the members of the Board for their help in improving the quality of papers published in ANE.

We extend our gratitude to the following colleagues who, while not being members of the Board of Editors, were kind enough to review manuscripts sent to Acta Neurobiologiae Experimentalis in the year 2012.
