

ACKNOWLEDGEMENTS

Changes in the editorship of Acta Neurobiologiae Experimentalis

Editors of the Acta Neurobiologiae Experimentalis inform with regret that Professor Anna Grabowska, member of ANE Board since 1990 and Editor of ANE since 1991 decided to step down from her Editor's functions. Fortunately, she will remain a member of ANE Board. Over all those years Professor Grabowska did tremendous job on ANE's behalf and the success of our Journal owes a lot to her efforts and selfless work. Thank you, Ania!

We express our gratitude for their services to Prof. Richard Frąckowiak, Prof. Joseph Hellige, Prof. Andrzej Pilc, Prof. Lisa M. Schrott, and Prof. Barbara Zabłocka who are stepping down from the Board of Acta Neurobiologiae Experimentalis. At the same time we are glad to welcome in our Board Prof. Grzegorz Czapski and Prof. Satoshi Kuroda. Welcome in our team, we have big hopes concerning your appointments!

Acknowledgement of Reviewers

We extend our gratitude to the following colleagues who, while not being members of the Board of Editors, were kind enough to review manuscripts sent to Acta Neurobiologiae Experimentalis in the year 2014.
